US EPA Region 5 Sites Notification Chicago, IL 60604

Subject: Hazardous Substances Notification

of Treatment, Storage and Disposal

**Facilities** 

Gentlemen:

As required by the Comprehensive Environmental Response, Compensation and Liability Act of 1980, U. S. Steel Corporation is herein submitting notification of the existence of hazardous waste facilities in your region which do not have interim status or permits issued under Section 3005 of the Resource Conservation and Recovery Act. Notwithstanding the time constraints surrounding this submittal, U. S. Steel has attempted to fully disclose all sites for which a notification is required. If additional sites requiring notification are subsequently discovered, this information will be submitted to your office as it becomes available.

Very truly yours,

Anthony A. Spinola

Environment Engineer

Environment & Energy Department
